

**Linda Mack** is the Founder and President of **Mack International LLC** ([www.mackinternational.com](http://www.mackinternational.com)), a boutique firm that specializes in providing retained executive search and strategic human capital consulting solutions to single and multi-client family offices on a national and international basis.

Prior to founding Mack International in 2002, Linda was a Partner in the Global Financial Services Practice of TMP Worldwide Executive Search, where she was responsible for executive search assignments across a wide range of wealth management and financial services functions.

Linda brings more than twenty-five years of combined financial services, human resources management and family office/wealth management to each client assignment. Her background includes executive and management positions at Harris Private Bank, Bank of Montreal and The Northern Trust.

Linda received her M.B.A., in finance and accounting, from the J.L. Kellogg Graduate School of Management, Northwestern University. She received her B.A. degree from the University of Arizona and also studied at Franklin University Switzerland as an undergraduate.

Linda is a frequent speaker at family office conferences on a global basis.
